CIA constitutes a panel of professional and experienced academic lecturers with real-world practical experience tasked to deliver the program aligned with regulatory and quality requirements. A highly qualified faculty.

Student support

CIA academic and non-academic staff provides personalized attention and continues to support our students for academic and professional development

CAMBRIDGE
INTERNATIONAL
ACADEMY

The Cambridge International Academy (CIA) commenced its journey with the primary objective of facilitating pathways in education to students in fields essential in today's global corporate environment. In fulfilling this objective, Cambridge International Academy has partnered with internationally recognized academic institutions including a leading mainstream secondary school in Canada, enabling both local and international students to explore diverse areas of study supported by a robust international network and academic framework that ensures success. Today, Cambridge International Academy offers a wide range of much-needed educational qualifications in Sri Lanka's private tertiary education sector.

Cambridge International Academy is committed to delivering the highest standard of higher education and becoming a center of excellence. Here's what our students have to say about their experience at Cambridge International Academy.

"I chose OSSD because it gives me a globally recognized qualification and opens the door to universities around the world"

Duvaraksha Kangeyan
OSSD — Undergraduate

"OSSD was the right choice for me because it offers flexibility while preparing me for my future university studies"

Wadha Arulthas
OSSD — Undergraduate

"I chose OSSD because the subjects and learning approach are closely connected to my future career goals"

Surendrajith Abijith
OSSD — Undergraduate

"Studying OSSD has given me the confidence, knowledge, and academic foundation to take the next step toward my future"

Sivaneshan Nirushan
OSSD — Undergraduate
